Aug 2017 - Apr 2022

Sylhet Polytechnic Institute

I have completed Diploma in Computer Technology from Sylhet Polytechnic Institute. My CGpa is 3.45 out of 4.00.

Bachelor of Science

Present

Dhaka International University

Computer Science & Engineering

CAREER OBJECTIVE

My career objective is to leverage my technical expertise and passion for developing innovative web-based applications to contribute to the growth and success of a dynamic organization. I am seeking a challenging position that offers opportunities for professional development and allows me to utilize my problem-solving skills and creativity to develop solutions that meet business needs and exceed customer expectations. My goal is to build a successful career in the field of web development while continuously expanding my knowledge and skills to stay abreast of the latest trends and technologies in the industry.
